PROJECT OBJECTIVES

-Development of knowledge, skills and competencies of educators, youth workers, and youth leaders about non-European cultural heritage of diaspora (migrants and refugees) in Europe.

-Helping the preservation, promotion, and integration of non-European cultural heritage of diasporic communities living in Europe.

PROJECT OUTCOMES:

- Toolkit consisting of dialogue principles, tools and methodologies used in carrying out the research with respect to the diverse diasporic communities in Europe.
- Digital map and learning materials regarding the history and cultural specificities of the non-European diaspora in Slovenia, UK and Netherlands, Romania, and Turkey.
- Mobile application on community places, spaces, stories, and artifacts of non-European diaspora in Slovenia, UK and Netherlands, Romania, and Turkey.
- Joint staff training to introduce digital tools, research, and dialogue processes for ethnographic research in Netherlands
- Joint staff training for the development of digital map in Romania.
- Joint staff training to review the digital map and to test the mobile application in UK.
- Multiplier event to introduce project outcomes in Turkey.
